DETAILED ACTION

Response to Amendment

The Amendment, filed on March 8, 2010 has been entered and acknowledged by the Examiner.

Cancellation of **claim 3** has been entered.

Claims 1-2 and 4-17 are pending in the instant application.

Allowable Subject Matter

Claims 1-2 and 4-17 are allowed.

The following is an examiner's statement of reasons for allowance.

Regarding Claim 1, the references of the Prior Art of record fails to teach or suggest the combination of the limitations as set forth in **Claim 1**, and specifically comprising the limitation of "that prevents conduction and movement of any charge into the electroluminescent layer in a desired pattern between two of the OLED layers wherein one of the layers is the electroluminescent layer and the other layer is a hole-injection or hole-transport layer" including the remaining limitations.

Regarding Claims 2 and 4-17, they are allowable because of their dependency.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".

Any inquiry concerning this communication or earlier communications from the examiner should be directed to DONALD L. RALEIGH whose telephone number is (571)270-3407. The examiner can normally be reached on Monday-Friday 7:30AM to 5:00PM EST.
